**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been a customer of a local telephone and internet provider for several years.
I am getting a faster internet connection at a better price, that ATT and Comcast.

I am getting great customer service. Which I did not receive from ATT and Comcast.

I have a home office, and having choices, for my information technology, is crucial to my business!

I am saving money on both my phone and internet services, and getting higher speeds on internet,
and terrific phone service.

Do not "throttle" our choices, like Verizon did to our firefighters in Northern California.
